Sananda Maitreya Interview

18 March 2013

In March 2013 I had a conversation with legendary artist Sananda Maitreya (formerly Terence Trent D'Arby) on the phone to his current home town Milan, Italy. We discussed his new album "Return To Zooathalon", his upcoming live shows in Tokyo, the concept of "Post Millenium Rock", the power of music and the rarely discussed reason of why he changed his name. ■
